

AMENDMENTS TO THE CLAIMS:

This listing of claims will replace all prior versions, and listings, of claims in the application:

LISTING OF CLAIMS:

1-27. (cancelled).

28. (previously presented) A collapsible bar comprising support members and means for releasably latching work surface elements to the support members, wherein there is a selectable number of the support members, the number of support members being variable from two to any number, wherein a plurality of selectable and interchangeable work surface elements having different functions are provided, each selected said work surface element being removably engagable with the support members via the releasable latching means, so that, when assembled, the said selected work surface elements interconnect the support members, and wherein at least one of the work surface elements includes one of a recess and an aperture through the work surface element, the said recess being suitable for use as at least one of a multi-bottle holder and an ice-chest, and the aperture being suitable for at least one of receiving and supporting a waste container therein and receiving a waste chute leading to a waste container.

29. (currently amended) A collapsible bar as claimed in claim 28, wherein the releasable latching means includes an
